Scored professional win in debut and was solid third at this level when sprinting against winners for first time. Shes asked to stretch out today, but breeding and sprint form suggest that she'll have no trouble handling distance.

Closed nicely to lose by only one-half length when running for tag in debut. Had to check at the quarter pole, which may have cost him race. Has three works since.

Another stretching out for third start. Has picked up minor checks sprinting and showed mild improvement in second start. Should like the added distance.

Beat only one runner in debut and isn't bred to route. Blinkers go on, but it would be asking an awful lot for him to improve enough to be factor here. -Chuck Dybdal
